A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

Alena Snow (left) and Tanya Hansen are *SCORE's* only two Norwegian models.

SCORE'S FORECAST: LET IT SNOW, LET IT SNOW, LET IT SNOW!

Dear *SCORE*,

I especially enjoyed your February '07 issue and the debut feature of Alena Snow. She has an incredible figure, a lovely face, long, blonde hair and a good presence for the camera. Although it's still early in the year, she already has my vote for newcomer for 2007. I know *SCORE* features models from around the world, but is Alena the first Norwegian?

With apologies to our friends in Denver, I hope the *SCORE* forecast is for a lot more Snow in every season! –J.Z., via email

Dear J.Z.: Alena Snow is not the first Norwegian to appear in SCORE. *Tanya Hansen is Norwegian, too. She first appeared in the October '99* SCORE *and also appeared in the June '00 and March '02 issues (fucking two guys and taking cock up her ass). Tanya had a successful porn career in Europe and tried to become a singer.*

A READER'S REQUEST: DOES ECHO VALLEY BELONG IN *SCORE*?

Dear *SCORE*,

As a longtime reader, I beg you to do a pictorial with mega-titter Echo Valley. Now that she's doing hardcore movies and is even more gorgeous than ever, I cannot understand why it has taken so long to feature her in your magazine. A girl-boy or girl-girl in *SCORE* Xtra would be great. I can see her with Deauxma, Misty Knights, Minka, Alena Snow or Vanessa Blue. As for girl-boy, I would like to see her in a gang bang with black or Asian men.

And why does it seem natural tits get all the acclaim in the magazine? I prefer augmented beauties like Minka, Penelope Pumpkins, Colt 45 and Carson Carmichael. The all-natural September issue is great, but there should be an all-augmented August issue each year also.

Finally, those complaining about shemales being displayed in your magazine's paid ads should check out big-tittied trannies like Holly Sweet, Allanah Star, Vo d' Balm or Gia Darling before rushing to judgment. Ava Divine and LaTia Lopez were not afraid to fuck them.–W.R., New Mexico

WHERE'S CHELSEA CHARMS?

Dear *SCORE*,

When are you going to do a feature pictorial of Chelsea Charms? I keep seeing photos of her at different events but no features of her. Let's get to work. Please have a feature of her showing off her fantastic body.–W.C., Allentown, Pennsylvania.

Dear W.C.: Believe us when we say that we've tried several times to get Chelsea back into SCORE *since her debut in the March*

Lucky *SCORE* Reader Gets Into Crystal's Bra

What would you do if you owned a bra personally autographed by *SCORE* Girl Crystal Gunns?

Reader S.G. of Wethersfield, Connecticut, the winner of the "Win Crystal's Bra" contest from the February '07 issue, plans to "search for the perfect woman to fit in it like Crystal does." Good luck, S.G., and when you find that woman, please let us know so we can get her into *SCORE!*

Thanks to the hundreds of readers who mailed in entries. Next issue, we'll let you know who won Denise Derringer's bra. Hey, maybe it'll be you!

'00 issue, but at the time, she isn't interested in doing any magazine modeling. Until she changes her mind, we're going to have to settle for occasional glimpses of Chelsea, like the one we got in Crystal's Gunns' column in the March '07 issue.

CRYSTAL'S VINTAGE BRA SHOW

Dear *SCORE*,

It is always refreshing to see Crystal Gunns in *SCORE*. She looks great with or without a bra, and to see her in several different bras and positions made the February '07 issue a keeper. Any plans for other models to do a similar spread?–Randy, New Jersey

Dear Randy: Glad you enjoyed Crystal's "Vintage Bra Show" as much as we did. It was special (and it'll be hard to repeat). But we definitely will do more multi-bra pictorials whenever the situation (and the model) warrants it. So stay tuned!

THANKS TO *SCORE*, HE SET THE WORLD RECORD FOR JACKING

Dear *SCORE*,

I always tell you when you get some things wrong, so it is only fair to tell you when you get it right. I have seen some real improvements in your layouts that have taken one of the best adult magazines out there to the best. The last few issues of *SCORE* have been so hot that I've burned the tips of my fingers turning the pages.

Once I got over the shock and awe of the astonishingly beautiful and erotic layouts of Ines Cudna, Laura Fairchild, Lena Li, Brianna Costello and Bea Flora, I masturbated my way to an all-time record.–T.A., New York, New York

FEBRUARY '07: THE TALL ISSUE

Dear *SCORE*,

Aside from specials and anniversary issues, your February '07 issue is the best I've seen yet, cover to cover. I love the new cover layout. It alone was stimulating and a refreshing change.

The first model of the issue, Alena Snow, is absolutely amazing. Her boobs and nipples are a sight to behold. Just as I'm being heartbroken over the great Sa-Renna Lee retiring, along comes a sexy newcomer who is already one of my favorites after just one layout.

I think women who smoke are sexy, and along with her beauty and boobs, Lily Valentine is a delight for me.

The interview with Brianna Costello is a page-turner, and I also enjoyed the "Vintage Bra Show" with Crystal Gunns.

These four *SCORE* Girls made the February '07 issue extra special. Brianna Costello smiled as she spread her pussy for us, Lily Valentine was smoking hot, super-sexy Alexis Silver oiled up her boobs and Ricki Raxxx showed her rack and her fuckable, pierced pussy.

Ricki Raxxx looks cuter than ever, Brandy Dean looks bustier than ever and the pictures and commentary of Alexis Silver really got me going.

I will always remember the February '07 issue as the tall issue. I'm 6'4", and I love tall women. Six of the 12 models in this issue are 5'7" or taller, including my favorite *Busty Euro Maid*, Veronika. However, in her bio, you credit her as being in SCORE *Cock Drainers*. I wish she were in that production, but she is not. I own *Cock Drainers*, and the Veronika in that DVD is another beautiful, busty bombshell, but she is not the Veronika of the February '07 issue.

I'm glad you are not responding to the negative letters that want you to have policies for the models like mandatory pussy shots and telling them that they must do hardcore. I'm also glad that you still show models in clothing as well as nude and that you have cut down on the interracial spreads.–David, Nacogdoches, Texas

PAINTED DANIELLE: AN OUTRAGE!

Dear *SCORE*,

I am writing in about one of the models featured in the January '07 issue of *SCORE*, Danielle Derek, in which paint was applied to her private parts above her waist. I think she has been sexually abused by the people responsible for applying paint to her. She has been sexually violated in this way. The people responsible are cowards.

The men responsible for this outrage should be severely punished. I think this is fair considering what this Danielle Derek model has been subjected to in terms of abuse. The people responsible for applying paint to her private parts above her waist should be ashamed of themselves.

I ask that no further paint be applied to models or women's breasts or other private parts in the future. For the women's sake, this paint should be cleaned off and not applied again.–W.W., Cornwall, England

Dear W.W.: Sorry that you were offended. Danielle wasn't. She said, "I had such a blast having my body painted. I felt so sexy and like

Danielle Derek enjoyed having her body used as an artist's canvas and showing off his handiwork in the Jan. '07 issue. How do you feel about body painting of models?

such a star." Of course, we didn't mean to offend or demean anyone. Our intention was to present a popular model in a unique way, and most readers liked it.

THE MARCH '07 ISSUE MADE HIM USE UP HIS SUPPLY OF LUBE

Dear *SCORE*,

As soon as I saw the March '07 issue at my favorite store, I had to make sure I bought more than one issue so I could use one for some heavy-duty elbow and hand work and save the other in its original condition for later use.

When I got to Daphne Rosen's feature, I couldn't hold back any longer and let loose a huge load. Her new look qualifies her as Newcomer and Model of the Year, if that's possible.

Hannah Claydon would get my nomination for Newcomer of the Year if she would get rid of the panties and show more pussy. Another Brit who won't show everything.

Ashley Juggs is one of my favorites. It sure was a pleasure seeing her again.

By the time I got to Alicia DiMarco's *SCORE* debut, I was ready to go another round with some slow stroking and heavy lube. Hopefully we'll see more of her in *SCORE*.

I used up my lube when I finally got to Harmony Bliss. This lady was hot before and was super-hot in this issue.–Mika, Los Angeles, California

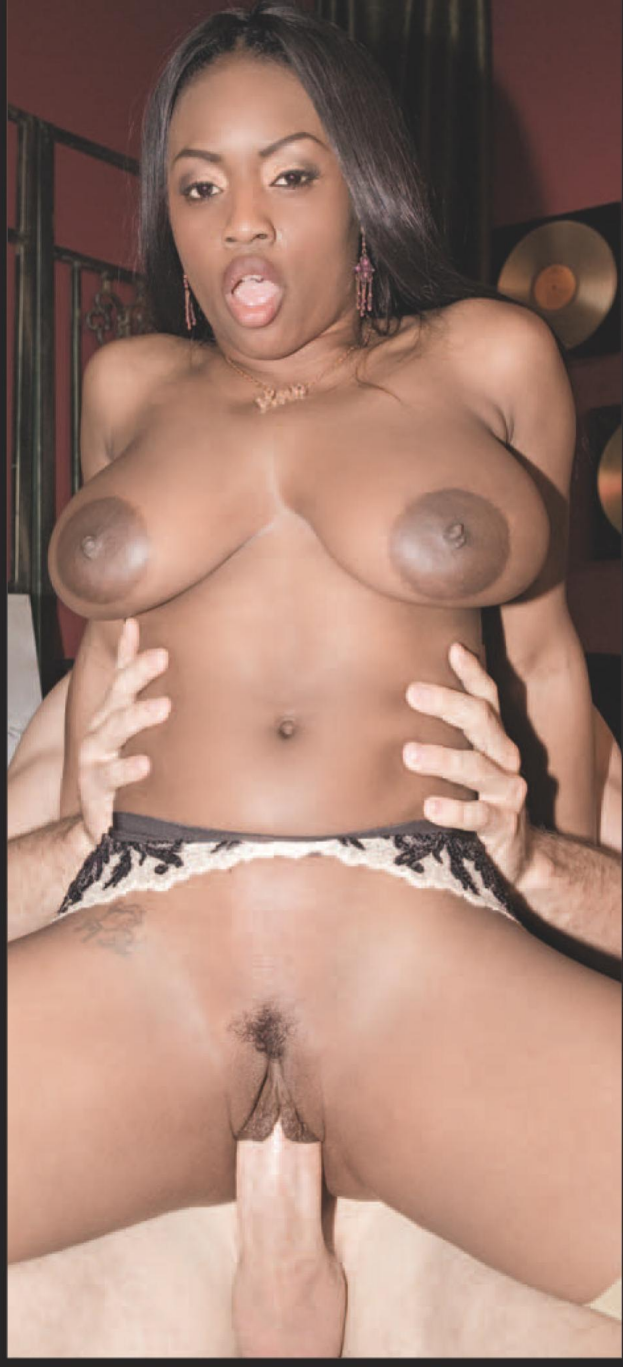
Tits-A-Poppin'

HARD COCKS-R-BANGIN' FIVE SUPER-STACKED *SCORE* GIRLS!

Imagine having the power to make a chick's tits pop out of her top just by staring at them. In the new XXX-rated DVD *Tits-A-Poppin'*, the fellas at Bustin' Out Records have come into possession of a secret potion that gives them the ability to do just that. Unusual? Indeed! But there's nothing ordinary about the giant racks on *SCORE* Girls Daphne Rosen, Denise Derringer, Danielle Derek, Jade Feng and Jada Fire, all of whom will do anything to make it big in show business...even if it means making cocks big and taking them in their mouths, between their tits and in their pussies and assholes.

Denise Derringer

Cowgirl Denise Derringer isn't impressing the talent scout at Bustin' Out Records with the worst audition tape he's ever heard, but she is impressing him with her E-cup tits, and she lands the gig by sliding her ass down onto his cock and riding it reverse-cowgirl. "I'm an upcoming star, and I know I'm good," says Denise, who seals her record deal by taking his sloppy load all over her tits and licking it off. Is this how Dolly Parton became famous?



The fact that Jada Fire shows up for her audition wearing a sheer top that does nothing to conceal her DD-cup best-sellers isn't lost upon the new boss at Bustin' Out Records. He makes her top pop open twice before she tries to save the audition by getting down on her knees and sucking his dick. Jade doesn't know it, but by the time he starts fucking her from behind, she's already got the record contract she came for...and he came for!

Daphne doesn't want a record contract. She wants to play basketball. The thing is, the guy she's playing ball with happened to drink some of the potion, and every time Daphne takes a jump shot, he makes her G-cup basketballs explode out of her top. At that point, fucking Daphne right on the court is a slam-dunk for this lucky dude, who scores with a tit-fuck and a pussy layup.

SCORE VIDEO PICK OF THE MONTH

Tits -A- Poppin'

"I've been singing since I was five, so this is my lifelong dream," Danielle tells the Bustin' Out boss. Unfortunately, she's better suited for cock sucking, tit-fucking and anal reaming, but she just doesn't know it until Mr. Record Company Executive takes the audition to another level. Danielle doesn't mind. She gets a load of cum all over her tits and the career she always wanted.

Tits-A-Poppin'

Jade's singing ain't worth a shit, and the song she sings is the stupidest thing you've ever heard, but the Bustin' Out scout is impressed by her nonetheless. Is he tone deaf? No, he just loves Jade's gigantic rack, and the fact is, there's a lot worse shit out there being sung by chicks who don't look anywhere as good as Jade. They don't fuck as good, either.

APRIL: GG-WHIZ!

FIRST-TIME MODEL IS PACKING HUGE NATURALS

In her first time modeling anywhere, April McKenzie is truly packing the good stuff. A Southern girl from Georgia, April is 5'5" tall, weighs 145 pounds and measures 42-32-40. Her areolae measure three inches in diameter and her bra size is a whopping 36GG.

April is exactly the kind of discovery who makes our lives happier. She contacted the *SCORE* studio through e-mail at model@scoregroup.com after a friend recommended us. She'd never seen the magazine before or even knew that there were magazines for guys who love very busty girls. (We've actually heard this many times.)

April says that when she watches TV, she usually finds herself playing with her boobs without realizing it. Her hands just stray there and stay there. The worst pick-up line she's heard to date, and April hears a lot of them, is "Do your feet hurt? Because you've been running through my mind since I saw you." That blows by anyone's standards.

Look for April in an upcoming *SCORE*!

April McKenzie emailed us after a friend told her she was a natural for *SCORE*. We totally agreed.

MELON PACKERS

Tesco, one of the biggest supermarket chains in Britain, has its fruit suppliers ship melons that are no bigger than one pound, three ounces instead of the standard two pound, two ounce melons. Why is this fruity subject being mentioned in Boob Beat of all places?

The bigger melons were slower to sell. A retail psychologist discovered that Tesco's female shoppers subconsciously compared the melons to their own boobs, leading them to purchase the smaller fruit. Okay, but what about guys and their banana purchases?

When Tesco first introduced the smaller melons, more than a million were sold over a two-month period. However, in America, bigger melons are actually more in demand, except by urban female shoppers who don't want to carry a lot of heavy items from the store to their apartments.

If anyone knows anything about melons, Annie Swanson does. She knows a ripe pair when she squeezes them.

The number of girls vibrating their nipples for fun and relaxation is on the increase, say the toy makers.

BOOB VIBRATIONS

The producer of a Japanese sex toy catalog predicts that 2007 will see a surge in sales of nipple vibrators and stimulators.

"Single women buying the nipple vibrators have already started to stand out," the toy maker said. "There are different types of vibrators available. One attaches to the nipples through suction. Another is fastened using alligator clips."

U.S. retailers are also seeing a surge in nipple vibrator sales. Nipple stimulation increases the happy hormone oxytocin.

ANGELS OF MERCY

Prostitutes in Germany are being given the chance to retrain as geriatric nurses. About 30 hookers are taking a two-year training course for auxiliary nurses in North Rhine, Westphalia. The plan is aimed at both easing a chronic shortfall in nurses and to offer an alternative to prostitution.

One of the founders of the program, which is sponsored by the European Union and a Protestant church, said of the prostitutes, "They are, in general, very good at dealing with people. In addition, they don't get squeamish and have absolutely no fear about touching or being touched."

BREAST HONORS FOR MINKA AND TAYLOR

On the seedy northern side of Las Vegas Boulevard, Ray Pistol's Showgirls Video is the place for locals and tourists to satisfy their porn needs. The store even has groovy live peep-show girls for guys who want real girls behind glass, not that Internet web-cam crap.

In a back room of Showgirls Video is the Legends of Erotica Wall of Fame, where every year a special show is produced to honor the men and women of sexual entertainment. The objective is to raise money for Protecting Adult Welfare (PAWFoundation.org). Signed into concrete squares hanging on the walls are the autographs and handprints of legends such as Nina Hartley, Lynn LeMay and Marilyn Chambers.

This year, Minka and Taylor Wane were inducted into Legends of Erotica. Minka stuck her hands and mega-boobs into cement to immortalize the event. Ruby, Sean Michaels, Herschel Savage and 1970s porn star Serena were also inducted in 2007.

The next time you're in Vegas, drop by Showgirls and take a look at Minka's boob-prints. Congratulations, Minka and Taylor.

Minka (L) and Taylor (below) were inducted into the Legends of Erotica at Showgirls Video in Las Vegas.

NEED BIGGER TITS? THEN DRINK THIS!

Europeans are flocking to Bulgaria to buy an alleged breast-boosting drink after EU membership led to custom duties being dropped.

A thick, ancient beverage created thousands of years ago, "boza" is made from fermented millet in Bulgaria or from fermented maize in Turkey. It can be alcoholic or non-alcoholic. Tit-loving bar owners, shopkeepers and shoppers are buying as many bottles as they can for their customers, wives and girlfriends. Supposedly the vitamin-rich, high-carb boza helps stimulate breast growth. At least that's what boza makers and sellers are saying because there's no scientific or anecdotal literature to support this claim.

GREAT MOMENTS IN BRA HISTORY

The sports bra was created in 1977 by two female Vermont residents who jogged and found that their bouncing boobs needed support. *There ought to be a jock strap for women* they pondered, so they created the world's first sports bra by sewing two jock straps together and calling it the Jogbra. The actual prototype was designed by a third woman. Their idea took off and proved to be a big hit.

The snug fit of the sports bra relieves the strain on ligaments and eliminates excessive motion by compressing the breasts. Snugness is important for proper fit and support, so sports bras are designed to redistribute breast mass across the chest wall. The two partners sold their successful company to Playtex in 1990. Today, Champion Jogbra is a division of the Sara Lee Corporation.

Jogbra has been honored by the Metropolitan Museum of Art and the Smithsonian Museum, and a bronzed original was also hung in the University of Vermont's Royal Tyler Theater in 2005.

Cindy Cupps knows and appreciates the importance of good support and fit.

Mannequins are now being manufactured with large bustlines. Our years of struggle are finally paying off.

BOOBS FOR DUMMIES

How much is that dummy in the window? The breasts of shop-window mannequins are super-sizing. Mannequins with big tits have been selling in bigger numbers in the United States than ever before and are expected to bust into the United Kingdom this year. One of the mannequins measures a very *SCORE*-ish 40-25-37.

An owner of Rox Studio in New York told a reporter, "We started selling three different kinds of large-breasted mannequins last year, Jessica, Mary and Anita, and we've sold around 300 already. There's no doubt that they grab people's attention in shop windows."

These hooter-enhanced mannequins sell for about $300 and can have silicone nipples added to bolster that pointy factor we love to see under clothes. The

mannequins' breasts are set higher on the chest so the look is closer to a girl with a boob job than to a natural-breasted girl.

Other wholesalers selling the extra-busty dummies include the MannequinStore.com and also DisplayImporter.com. Some of the mannequins are made in China, like everything else you buy these days. Business is so good, Rox Studio is opening a store in Paris this spring for the European market because shipping mannequins from America is too budget-busting.

CUM CUM DISEASE

A mysterious ailment in Japan is giving women as many as 300 orgasms a day. The medical name for the condition is Persistent Sexual Arousal Syndrome (PSAS), but the Japanese have named it "Iku Iku Byo" or "Cum Cum Disease." A woman who has the ailment can cum from the slightest contact or jolt, whether or not she's already sexually aroused.

"When I got on the commuter train one day, I could feel blood gushing toward a certain part of my body, and it felt so good, I almost let out a moan," one woman said. "It was murder when everybody got pushed into the train with me."

A doctor at a Tokyo clinic said the illness can be devitalizing.

"For women to orgasm, they need to have some sort of sexual stimulation," he said. "There are nerves around the female genitals that react to sexual stimulation. The body gradually builds up to a crescendo that ascends to a climax. However, with this disease, women are mysteriously reaching climax without any external sexual stimulation at all. One possible cause is an irregularity in the sensory nerves."

An American doctor first reported the condition in the United States five years ago and said that it tends to mainly strike post-menopausal women. We don't see it as an illness.

DON'T GET CAUGHT HOLDING THE BAG

To discourage Japanese shoppers from using too many plastic bags, lingerie maker Triumph has created a bra with cup padding that can be removed and unfolded to become a shopping bag. The bra bag is made of polyester fiber created through recycling.

Japanese stores give out 30-billion plastic bags a year, and nearly a third are thrown away without being reused, said a Triumph spokesperson. Last year, the company produced a bra that can be heated in a microwave to help save on indoor heating costs. The only drawback we can visualize is the increase in waiting time on cashier lines as shoppers take off their blouses to extract a bag.

JERI'S GIRLS

A fan favorite for her role as Seven of Nine on *Star Trek Voyager,* Jeri Ryan of the TV show *Shark* told reporters that her leading men can't stop staring at her chest. She says that her male co-stars refer to her twin peaks as The Girls.

"Within 30 seconds of meeting Jimmy [*Shark* star James Wood], he began commenting on 'The Girls'," commented the shapely, 38-year-old, German-born actress. "In fact, The Girls have become a constant topic of conversation on the set."

Captain Kirk himself, William Shatner, is also a member of the boob brotherhood.

"He mainly talked about 'The Girls'," Jeri said.

We'd expect no less of those two Boob Brothers.

Unfortunately, these are not Jeri Ryan's "Girls," just a theoretical estimation.

HER NAME IS KYLEE NASH, SHE EASILY FILLS AN F-CUP BRA. AND SHE WANTS TO BE YOUR FANTASY GIRL.

We're getting things started this issue with a housedancer from Phoenix, Arizona who has the face and body to be a porn star…if she wanted to. But she doesn't, at least for now. "I like dancing and modeling and turning on men in more subtle ways," Kylee said. She smiled sexily. "That way, I can be everybody's girl."

You don't have to be rich or drive a Porsche to be Kylee's guy. You don't have to be a stud. "I like nerds, and I love body hair on guys," she said. In other words, she likes guys like Steve Carell from *The 40-Year-Old Virgin*. "Exactly," she said, "although I liked him better in that movie when he wasn't trying so hard. If you really wanna know my type, it's Elijah Wood from *The Lord of the Rings*. It definitely doesn't take big muscles and classic good looks to get me going. I like a man I can talk to." Even over the blaring music at strip clubs like The Hi-Liter in Phoenix, Arizona, where Kylee was spotted recently? She laughed. "There's a time and a place for everything," she said. "I don't expect a man to be able to carry on a coherent conversation when he's got a hard-on in his pants. When *I* get horny, I can barely speak!"

Kylee's big floppers and pink pussy are enough to make any man hard and speechless, but Kylee's favorite part of her own body is her mouth! "I love giving blow jobs," she said. "I once blew a guy in the public bathroom of the all-girls dorm at my Christian college. If we had gotten caught, we both would've gotten kicked out. And once I gave a blow job to a guy at seven o'clock in the morning in a public park while runners and moms with strollers were passing us by. We were in his car, of course, but anybody could've looked in and seen us, and I'm sure some people saw my head bopping up and down in his lap. They were probably like, 'I know what she's doing!'" But Kylee is well aware of her best asset. "My all-American beauty?" she said, smiling. Yeah, Kylee. That's it!

The Good Boob Samaritan

She had negative vibes about her rack...until he came along!

FICTION BY JACK VAUGHN ◆❖◆❖◆ ILLUSTRATION BY OTIS SWEAT

"I'm thinking about getting a breast reduction."

My jaw dropped. I was alone in the mall when I heard those terrible words. They came from this gorgeous, blonde bra-buster who was sitting at the next table in the food court, talking to her friend. I didn't mean to eavesdrop, but the moment this busty young goddess appeared and sat down with her friend right at the next table, I felt like my eyes were burning out of my skull.

She had Swedish-blonde hair, big blue eyes and the biggest rack I'd ever seen. She was wearing a blouse that was being stretched to the hilt across her chest and a tight skirt that couldn't help but accentuate her slim-and-super-stacked figure: a slender waist, a round, firm tushy and a monumental set of mammaries that made her nothing short of a showstopper.

The blonde's friend, who looked as bitter as she was flat-chested, nodded in agreement.

"Totally," she said. "Your boobs are way too big, Candace. What size are they, anyway?"

The blonde blushed. "Thirty-six F," she said. "And they're still growing."

The blonde looked around, obviously embarrassed, but I looked away as though I hadn't heard a thing. She added, "My boyfriend thinks I should get them reduced, too."

"They make you look fat," her skinny friend said. "You should go down to a B-cup, like me. That's what men like."

I couldn't believe my ears. Not only was Candace far from fat but she was also one of those rare girls who you can just tell is a total sweetheart. And on top of that, she was stacked like nobody I'd ever seen. I knew her friend must be jealous. And what kind of guy was this boyfriend, anyway? Gay or something? What kind of straight man doesn't like big tits?

Nothing bothers me more than when a girl with big, naturally beautiful breasts gets pressured to shrink them just because other people can't handle it. I don't know where this

SWEAT

Brazil

idea came from, that girls are only beautiful when they look like adolescent boys, but it's gotta stop.

Anyway, I knew this conversation was none of my business, but I kept listening and watching out of the corner of my eye. The blonde bra-buster bit her lip.

I don't know," she said. "I don't think I should have to change just to suit somebody else."

Damn, right! I thought. I wanted to interrupt their conversation and tell this vision how gorgeous I thought she was, but right away, her sickly friend shook her head.

"It's not that," the skank said. "Your big tits make you look fat, Candy. Besides, Zack's a great guy. Isn't it worth it to keep him?"

I wanted to fling my plate of sesame chicken at this crazy bitch, but I managed to hold back. Meanwhile, Candace rolled her eyes.

"Great guy?" she said. "He's cheated on me twice. And I've seen how he looks at you!"

"Of course!" her friend said smugly. "Look at me, Candy! I'm hot stuff!" She flashed a fake smile that looked like it was made out of worn leather. "If you wanna keep a nice guy like Zack, you gotta look the part. Besides, you don't really think that nice guys like big boobs, do you?"

I'm a nice guy, and I love big boobs! I wanted to say.

"Well, maybe you're right," Candace said, glumly pushing around her salad with a fork.

The other girl stared down her nose at Candace's gigantic rack. "Lose the boobs, Candy. Sorry, but they're gross. Besides, all they do is get in the way and make your back hurt."

I got up and left. The blonde buster may have been hot as hell, but her friend's bad advice had killed my erection. How could anyone talk trash about such a big, beautiful rack? I tried not to think about it.

About an hour later, I passed a lingerie store in the mall and saw the blonde inside, arranging tiny silk bras on a table. She had a name tag on now, and I realized that she must work there. My pulse quickened, and my blood ran south again. Before I knew what I was doing, I went in and walked right up to her. I'm normally a pretty shy guy, but I had to at least try to counter the horrid things this girl's friend had said earlier.

I cleared my throat. Candace turned to me, her massive jugs jiggling and nearly brushing up against my chest, even though she had to be standing at least a foot away.

"Hello, sir," she said. "How can I help you today?"

My brain immediately came up with plenty of ways that she could make me the happiest man alive, but I kept them to myself.

"Ummm…I'm shopping for a very special girl, and I was hoping you could help me."

I was blushing like crazy, but I figured Candace must have thought it was just because I was a guy in a lingerie store. She smiled reassuringly.

"Of course! My name's Candace. I'm the manager here." She touched her name tag, which gave me a brief excuse to study her cleavage. "What are you looking for?"

Making it up as I went along, I said, "Well, I'm trying to find a nice bra for someone special."

Candace nodded. "Is this special someone a girlfriend?"

"Yes," I half-lied, half-wishfully thought. "She's very busty, though."

I blushed even more, but Candace seemed to take it all in stride. Come to think of it, she probably dealt with men shopping for their girlfriends every day.

"No problem. Do you know her size?"

"Well, not really," I answered, pretending to think for a moment. "She's definitely bigger than a D-cup."

"A double-D?" Candace offered.

I shook my head and stole another

A *SCORE* MAN DOESN'T NEED TO BE ASKED. BUT WHEN SYDNEY WANTS IT, SHE'LL LET YOU KNOW!

"My favorite way to satisfy a man is with my tits," said Sydney Simona, who's making her third appearance in *SCORE*. "I like to start with oral sex, then regular sex and then he can fuck my tits. Sometimes I ask for it. Some guys are shy and don't know how to ask for it, so I just tell them, 'Fuck my tits!'"

The only reason any *SCORE* Man would have to be asked to fuck Sydney's tits would be for the pleasure of hearing her say, "Fuck my tits!" Look at those F-cup naturals! Look at those thick, pointy nipples! Wouldn't you just love to suck on 'em? "I love when a man sucks on my tits, but he has to do it right," she said. "Real nice and sensual. Pull on my nipples a little bit, and if I'm in a wild mood, pull on them a little harder. Men are always fascinated by my nipples, but until recently, I didn't even realize they were so unusual."

Sydney might not have known that her nipples were unique, but she's always been aware of the special appeal of her natural rack. "I definitely had the biggest breasts in high school," she said. "I was very tiny everywhere else, but I had the biggest breasts. I went to an all-girl boarding school. Most of the girls hated me, but the male teachers loved me, and I know it was because of my big breasts." It's the way of the world, Sydney. "I have a nice personality, too, but people don't seem to notice. With me, it's always about my breasts."

SHE'S A HORNY, BIG-TITTED SEX STAR. BUT SHE'S ALSO THE GIRL NEXT DOOR.

We know that Rebecca Love loves to fuck men. We saw her doing it in the April '07 Xtra section. We know she loves to eat pussy. We saw her snacking on Holly Halston's clam in the DVD *Busty Snatch Club*. We also know that she went out with a virgin on the TV reality show *Blind Date*, and we know that she's a small-town country girl who definitely found the right profession: porn star. So now, let's take some time to discover Rebecca's other side.

Rebecca's idea of a fun night off might sound boring to some. "I like to sit on the couch, pop some popcorn and make it a Blockbuster night because when I have a free night, I just don't want to move," she said. "I travel so much, I just want to get engulfed by the couch." But here's why Rebecca's night off isn't boring: When she's home alone, she's usually naked. And when she's naked, her hand often wanders down to her horny pussy.

glimpse of her cleavage. "No, way bigger than that."

Candace smiled. "Triple? Quadruple? An F-cup, maybe?"

I nodded. "Yeah, I think so. Thirty-six F sounds right."

I was getting more and more excited from talking about tits with this stacked babe, and my heart was pounding a mile a minute. I hoped she wouldn't recognize me from the food court or think it too much of a coincidence that my "girlfriend" had the same cup size she did.

"No problem," Candace said. "We have some very nice larger bras over here." She led me to the back of the store. "I bet she always complains about her bras being too small, huh?"

I played along. "Um… yeah, how did you know?"

Candace giggled. "As you can see, I'm pretty top-heavy myself. Same size as your girlfriend, actually, but mine just keep getting bigger for some reason, even though my waist stays the same." She shrugged and added, "Guys don't know it, but wearing the wrong size bra is killer uncomfortable."

I just nodded, trying my best to conceal my erection as Candace showed me bra after bra, including some that unsnapped in the front, which she playfully demonstrated over her blouse.

"I bet you'd like that!" she said.

You have no idea! I thought. I imagined taking that very bra off Candace before stroking and licking her tits like a madman. I was having a hell of a time keeping my eyes off Candace's rack. Every breath she took made her tits swell like they were about to burst right out of her blouse. I imagined buttons flying, and my cock grew harder.

"So, which bra would you recommend?" I said. "I mean, if you were shopping for yourself."

"Oh, definitely this one! I love how it looks, and it's comfortable, too. I'd buy it myself, but I've already used up my monthly discounts."

I said, "I'll take it. Money's no object for this girl."

Candace smiled, led me to the front of the store and rang it up. I didn't know what I was going to do with a bra, but I paid, then got up the nerve to introduce myself. We made small-talk for a while. Then Candace leaned over the counter, giving me a better view of her cleavage.

"So, do you wanna give this to me now or later?" she said.

My heart jumped up into my throat. "What do you mean?" I said.

Candace smiled. "Listen, I wasn't born yesterday. I recognize you from before. I know my friend was being a bitch, and it's sweet that you're trying to cheer me up, but you don't have to do this. Really."

I decided to come clean. "I'm sorry if I weirded you out. Look, I know it's none of my business, but I think you're beautiful just the way you are. Any guy who says otherwise doesn't deserve you."

Candace looked flattered but she said, "I'd better be careful with you. I hear nice guys hate big boobs."

I smiled. "Not true. I'm a totally nice guy, and I think you and your boobs are both gorgeous."

Candace gave me a long, saucy look. "It's a slow day," she said. "Maybe we should go talk about this some more."

I thought she was joking, but she told one of her employees to take over, then led me back towards her office.

"You can use my phone and call a tow truck from there," she said loudly, in case anyone was listening. We went into her office, and she closed the door. My heart was pounding. I had no idea what to expect. Luckily, Candace knew exactly what she wanted.

Her body pressed against mine and we started kissing. I thought I must be dreaming. Then I felt her slim hands jerking my pants open and sliding into my boxers to massage my stiffening cock, and I knew this was a dream come true.

"I just have one question," Candace whispered as she tore off my shirt and rubbed her humongous tits against my chest. "Do nice guys know how to fuck?"

"You better believe it!" I said.

I dropped the bag with the newly purchased bra inside, then I backed her up, lifted her onto her desk and yanked her blouse open. Buttons flew everywhere. Candace grinned lustfully. For a moment, all I could do was stare at her amazing chest. Her bra was still on, but I could already tell her boobs were even bigger than I'd thought. She was wearing a gigantic, sexy brassiere that was obviously supposed to reign in those crazy-

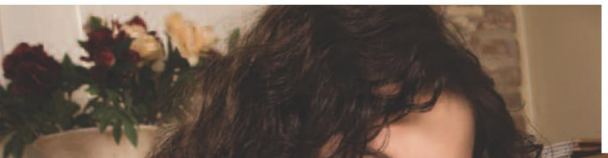
SOME GIRLS HAVE NO IDEA KNOW WHAT THEY WERE BORN TO DO. TERRY NOVA KNOWS THAT SHE WAS BORN TO FUCK.

Last year gave us Anna Song, a teenager with E-cup naturals who went on to become first runner-up for *SCORE* Newcomer of the Year and the winner of *Voluptuous* Model of the Year. For 2007, we have Terry Nova, a Czech teen with F-cup naturals and a lot of the attributes that make Anna special: smoldering sex appeal and an "I'll do anything" attitude.



Terry is currently a college student in Prague, but we don't expect that to last for long. "Men love my big tits, and I love my big tits, and I want to be a porn star," she said. "I want to suck the cocks of strange men and have them fuck my pussy and cum all over my tits. Why not? Every other Czech girl is doing it, right?"

Terry likes to wear tight tops that show off her tits, even when the weather is cold. She says she shaved her pussy "so men can fuck my pussy better." She says there isn't anything she won't do sexually, even get fucked in the ass. "But a man can't cum in my ass," she said. "My tits always have to get the prize!"

THE SCORE INTERVIEW
Deena Duos
"Being a SCORE Girl again is a dream come true!"
The mega-buster from the '90s tells her inspirational story.

INTERVIEW BY DAVE ROSENBAUM

Back in the mega-slim-n-stacked 1990s, a petite blonde with huge tits was one of the most popular models in the world. Her name was Deena Duos, and she was the covergirl of the May '93 issue of SCORE. *Deena had a great career. The fact is that if her career had ended with her appearance in the May '96 issue, we would've remembered her fondly as one of the best. Indeed, that's exactly what we'd been saying for the past several years whenever Deena's name came up. But then, several months ago, almost out of nowhere, Deena gave us a call. She wanted to model again. We were skeptical. Then she sent us some pictures of herself. We were immediately convinced that we had to get her into our studio as quickly as possible. And when we did, we found out exactly what had been going on in Deena's life.*

SCORE: Hi, Deena, and welcome back to *SCORE*. It's been a while, but we're thrilled to have you back. You look spectacular.

DEENA: Thank you! It's very special to be back in *SCORE* because I almost didn't make it. I had stepped out of modeling for a while because I had put on a lot of weight. It means everything to me to get back and do what I love to do for the men who appreciate a beautiful body. I've come a long, long way, and I'm very grateful to be here, and I hope you truly appreciate it and take it very genuinely. This is a very sensitive issue for me. I lost 88 pounds, and I didn't have my life, and now I have my life back, and it's wonderful. I'm overwhelmed to be here. Being a *SCORE* Girl again is a dream come true.

SCORE: It's surprising to hear how much weight you put on because, other than your boobs, you're not a very big person.

DEENA: No, I'm not. I'm tiny. I'm only five-two.

SCORE: Over how long a period of time did your weight gain take place?

DEENA: It happened about three years ago over a period of a year and a half, give or take.

SCORE: Had you ever been a heavy woman?

DEENA: Never that bad. Never like that. I mean, there were times when I put on weight, but nothing like 88 pounds.

SCORE: What were the best and worst reactions you received when you were heavier?

DEENA: Well, there wasn't very much that was positive. The worst reaction was that my phone wasn't ringing, and that broke my heart. I felt that a lot of my fans had disappeared be-

cause I had gotten heavy, and that part was hard for me to deal with. I understood, but on the same level, I had thought everybody would be there for me through the great times and tough times, and that wasn't the case.

SCORE: When did you stop dancing and modeling?

DEENA: I stopped dancing like 10 years ago, but I was doing private shows for my fans for most of the years, going up and down in weight and feeling happy sometimes and not feeling happy about my body the other times. And now I'm 128 pounds, guys, so I'm pretty thin. And my boobs probably weigh, together, 12 pounds, at least.

SCORE: And here you are in a tight sweater and tight blue jeans, and you look great.

DEENA: Thank you! Wearing jeans again is a big deal for me, too, because when I put on the weight, I couldn't get in jeans, and now I'm wearing the smallest pair of jeans you can get in a store. Now I can buy designer clothes, and I love it. I can buy things in the catalog. I can't buy shirts out of a catalog, of course! I have to search to find tops that fit around my chest.

SCORE: How about bras?

DEENA: I don't buy bras anymore. I live in sports bras. They're so much more comfortable, but if I'm going out to somewhere fancy or doing a private show, I have some Frederick's bras that I can wear. Every bra I buy, none of them fit my whole tit, so I buy whatever bra looks best, even if it shows a lot of cleavage. A little cleavage always looks good. A *lot* of cleavage looks good.

SCORE: I think people are going to be shocked to see you back in *SCORE* because you've been away for so long.

DEENA: Maybe so, but that's part of what makes it so special. I'm so happy to be back, and my phone has been ringing off the hook. I have been going nonstop for the past nine months, and now I'm looking towards finding that very special someone to spend the rest of my life with. I'm soul searching right now. So I'm doing my private shows, which is wonderful, and I'm also looking for a man at the same time.

SCORE: You span two generations of *SCORE*. There were the mega-boob '90s, and now and there are only a few girls like you, like Crystal Gunns, Daphne Rosen and Minka.

DEENA: You know what? I think the classics remain the classics. The '90s

were a very special time for me, but this is truly a very special time for me, to be able to come back after being at the bottom, after not being able to do this.

SCORE: Through it all, though, you decided to keep your boobs.

DEENA: I'll die with these boobs, guys. These boobs are mine forever, and I love them. I love big boobs. Always did. Lots of girls when they get older, they say, "Enough is enough." But I'm never going to say that. I feel like my boobs make me complete. I feel much more womanly. They're awesome!

SCORE: So you're into big boobs. Do you notice other big-boobed women when you're out?

DEENA: Absolutely, and believe it or not, I always think other women look bigger than me. I don't know why. I'll see a woman with D-cups, and I'll think she's as big as me, and the people with me will go, "No way!" Or I'll look at myself and see a woman with regular-sized tits. I don't see myself as huge.

SCORE: Now, you told us several years ago that you had gone to nursing school. What became of that?

DEENA: I actually am a nurse. I have my LPN, but I decided to take a step back from that because I wanted to enjoy this part of my life with my fans. I figured that later on in life, I could always go back to nursing. But being in nursing was great. I'm very much a people person. I like to nurture people. I nurture my fans. I nurture my patients. I nurture my animals. I have a whole bunch of animals at home.

SCORE: What kind of animals?

DEENA: I have 20 exotic birds. I have a pot-bellied pig. I have a Rottweiler. Two Chihuahuas. And a hamster. Two hermit crabs. I have fish. And I'm getting a monkey in a couple of days. He's 11 weeks old, and I am so excited about her. I think that as I'm getting older, I'm thinking about having one more kid to make my life complete.

SCORE: So you're going to get a monkey instead?

DEENA: Yeah! *[Laughs]* I do have that nurturing need right now, so I'm going to satisfy it with my monkey. My monkey's going to be my baby. I'm going to have to give her formula, and I'm going to have to diaper her.

SCORE: Let's get back to nursing. Were you actually a nurse in hospitals?

DEENA: I was a nurse in nursing homes. It was very rewarding. The fam-

SCORE Jack Aids

A GUIDE TO THE BEST IN SELF PLEASURE TECHNOLOGY!

Enhance your jacking experience with these quality products, hand-picked by The SCORE Group for your ultimate satisfaction. We know jacking, and we're sending you our best!

Want Mouth, Ass or Pussy?

Your hand was a great invention. It fits around your cock very nicely, and after it jacks you off, it doesn't ask you to cuddle or make you go to the mall. But let's face it: There are times when you need more than just your fist. And there are times when a real, live mouth, pussy or ass isn't around to get you off. Then what?

Well, you could fuck that cantaloupe that's been sitting in your refrigerator for the past few weeks. Kinda messy, though. Or you could walk down to the corner and see if that $25 hooker is hanging around. Kind of dangerous, though.

Or you could do what I did: Ring my good friend Doc Johnson and order up a few Palm Pals for those special times when my hand just isn't good enough. The Palm Pal comes in three shapes–Mouth, Pussy and Ass–and it's made from ultra-realistic material that really feels like a woman's skin.

If you're like me, you're skeptical about simulated sex parts. You've been burnt before. You've shelled out serious cash for a porn star's simulated pussy, only to get a handful of rubber shit that does nothing to get you off.

But the Palm Pal is different. It feels right. It grips your cock. Sure, it won't help you get a hard-on (you're gonna have to do that part yourself), but once you slip your cock into the Palm Pal's tight orifice, you'll feel like you're fucking the real thing. And the Palm Palm will never ask you to take your cock out and cum all over its stomach just when you're about to cum.

Best of all, the Palm Pals are only $9.95 each...a lot cheaper than the hooker on the corner or a trip to the mall. And a lot quieter, too.

Fucking young Daphne's mouth, pussy and ass would be the ultimate, but the Palm Pal is the next best thing.

Who needs women when there's CyberSkin?

There are many great things about a woman's mouth and pussy. That they can both get your cock off is at the top of most men's lists. But have you ever stopped to consider what it is about mouth and pussy that does the job?

There's the softness of a woman's lips and the way her mouth can modulate the pressure on your cock, depending on your needs. There's the warmth of her pussy, the wetness, the way it pulls you in and holds on. The way it grips your cock. The way it accommodates your rod, no matter how big your dick is, and yet feels as if it was custom-made just for you.

Until now, the only way to get that real blow job and pussy feeling was to fuck a woman's mouth and pussy. But now, there's the CyberSkin Cyber Sex Buddy, the CyberSkin Vibrating Cyber Pussy and the CyberSkin Vibrating Cyber Suck.

Go ahead. Stick it in. You just might never need a real woman again.

The Cyber Sex Buddy has succulent pussy lips that envelop your cock and tight inner walls that grip your rod. Plus, the open-ended design increases stimulation and allows space for ultra-deep thrusting. In other words, like with a real woman, you never hit cock-bottom. The Vibrating Cyber Pussy takes it one step further with a special vibrating bullet for extra sensation. Close your eyes and you'll feel like you're fucking a real chick! The Vibrating Cyber Suck re-creates a woman's mouth, with the added stimulation of the vibrating bullet.

Dare I say it? It's better than a blow job!

LUBE TALK

We jack a lot. Every day. Two or three times a day. We're jacking pros. And if there's one thing we know, it's that a well-lubed jack is better than a dry one.

Makes sense, doesn't it? Doesn't wet pussy feel better than dry pussy?

The question is, which lube should you use. And all lubes are not the same.

Eros Bodyglide never gets sticky, so you can glide up and down your pole. Eros Light Love Bodyglide is thinner, softer and more slippery. Eros Aqua Bodyglide is water-based, so cleanup is easy.

Then there's WET's quality line of lubes, including Light (for easy cleanup), Platinum (great texture!) and Original, the time-proven choice for jacking.

Pick one, and enjoy yourself, with yourself!

SO FAR, NO COMPLAINTS AT ALL

Dear *SCORE*,

I am sure there will be readers who complain about the "Big Tits In Tight Tops" feature (March '07), but I find it a refreshing change. WHEN IT COMES TO FUCKING, CLAUDIA HAS AN OPEN-LEG POLICY. STEP RIGHT UP AND HAVE FUN!

Sexy Hawaiian fuck doll Claudia Kealoha is flying solo for her fifth appearance in the world's greatest big-tit magazine, and that's nice. The last two times we saw her, she had big cocks in her mouth and slicing between her pink pussy lips. "I told you before, I'm not into romance," Claudia told us. "I prefer hard, wet sex."

If you want to witness Claudia's fucking and sucking skills, check her out in the DVDs *Big-Tit P.O.V.* and *SCORE Xtra #12*. If you want to watch her and Summer Sinn team up on a very lucky guy, check out the DVD *Ultimate Summer Sinn*. If you want to see one of the best spread-leg, "fuck-me" photos ever seen in *SCORE*, turn the page. But first, consider this: "I love quickies," Claudia said. "I know most women don't say that, but I can cum in like a minute, so I'm okay with it if you want to just fuck me fast and get off. I love the feeling of a cock in my pussy, and if I touch my clit while you fuck me, I can get off even faster. Of course, if you want to take your time and fuck me for, like, a half hour, I'll keep cumming and cumming and cumming. I'm versatile!"

Obviously, Claudia's main attraction is her DDD-cup rack, and we're getting lots of great views of her puppies on these pages. Don't ya just love how she's squeezing her tits together in the photo above? And we appreciate the way Claudia is spreading her cunt for our viewing pleasure in the above-right photo. But for us, the photo that really makes us want to glue the pages together is the one to the right. Claudia's nipples are pointing to the sky, and her pussy is self-opening as if it's just been nailed by a cock the width of a Coke can. And look at how pink that sweet vagina is! Claudia's no teenager, but her cunt looks as fresh as an 18-year-old virgin's. "Any man I'm with has to possess great oral skills," Claudia said, licking her lips. "I love having my nipples licked and sucked, but best of all, I love having my pussy eaten. Eating my pussy just right is the ticket to pleasure for my men because I'll give as good as you do. Even better!" We'd love to find out, but for now, we'll have to settle for Claudia in pictures and on DVD. And that's not a bad thing.

Taylor. I might have to migrate back to purchasing *SCORE* as this issue was almost up to your standards from the '90s when *SCORE* was the best big-boob magazine in the world.

That being said, what is going on with *Voluptuous* in 2007? Your choice of models in 2007 issues has been so poor I have yet to purchase an issue. I think the editor of *Voluptuous* needs a kick in the ass as *SCORE* seems to be taking the best *Voluptuous* models out from beneath his nose.–G.P., Toronto, Ontario, Canada

MODELS WHO WEAR TIGHT SHIRTS THAT WE CALL SWEATERS

Dear *SCORE*,

I love big tits and I love big tits in a sweater. My biggest turn-on is seeing one of your models opening her pictorial wearing a tight sweater.

But here's where I have a problem. Lately, you have featured some of your models in so-called sweaters, but they were really just tight shirts.

I appreciate your effort, but my definition of a sweater is a garment made of either cotton, cashmere or especially wool. Put a big-breasted girl in a wool sweater and it's game over for me! I've had some big-breasted girlfriends who wore tight wool sweaters before going out for the night, and needless to say, we never made it out that night, and there was a very good chance that I ruined the sweater by the end of the night by cumming all over it.

I figured I'd go right to the source and look up the definition of a sweater. According to the dictionary, a sweater is a jacket or pullover made especially of knitted, crocheted, or woven wool, cotton or synthetic yarn. So there you have it. Hopefully, this will help you for future pictorials.–Tom, New York, New York

THERE'S NO SUCH THING AS "SIMPLY FUCKING & SUCKING"

Dear *SCORE*,

I am writing in response to P.G.'s letter in the February '07 "Scorecard" and his request for more women in everyday clothing. Frankly, I do not know what he is complaining about. We already get our fair share of women dressed in regular, everyday clothing. The first couple of pics in almost every spread show fully or partially clothed models before we are

Dear *SCORE*,

A suggestion for Fantasy *SCORE*: the three girls from *Dreamgirls*, but especially Jennifer Hudson. Just have a look at any photos of her accepting her various acting awards. She has such wonderfully enormous melons.

A SPECIAL SHOT OF BRANDY

Dear *SCORE*,

I have been a newsstand buyer of *SCORE* for several years. What keeps me coming back are issues like February 2007. The glory hole fantasies with Daphne Rosen and Denise Derringer are great, as is the interview with the beautiful Brianna Costello. And, of course, any issue that includes Gianna Rossi is special. But it is the layout of Brandy Dean that makes this issue one of the best. She just gets better and better.

SCORE photographers perfectly capture the heft and weight of Brandy's 36F cuppers. Her gorgeous auburn hair and matching trademark "landing strip" frame her magnificent (and tasty, I might add) tits. So thank you, Brandy and *SCORE*, for making me happier with my life!–K.R., Michigan

Beautiful Bettie

BETTIE CAN BE EVERYTHING YOU WANT HER TO BE. GLAMOUR GIRL. SEX GODDESS.

"One might say I was a typical young woman from the ex-GDR [communist East Germany]," said Bettie Ballhaus, who's making her sixth appearance in *SCORE*. "Sex and sex education was, in former times, a largely taboo topic. Now it pleases me to show my body naked to the public." The pleasure is all ours. "It makes me feel sexy to know so many men fantasize about me."

It is extremely doubtful that Bettie will ever do hardcore–"That's not for me," she said politely–but the photo above (shot by the folks at Danni.com) gives us all the food for thought we require. Big naturals hanging down oh-so-invitingly. Pierced tongue that she'd love to run down your cock. Spread, jeweled pussy that makes us realize how kinky she really is. "Every fantasy you have about how wild I am in bed, they are all true," Bettie said. "I love that you have never seen me have sex. Because now I can be whatever you want me to be."

DEENA DUOS

Continued from page 68

ilies were wonderful, and the patients loved me.

SCORE: The men must have loved you.

DEENA: They did, but they also knew I was a nurse, so they weren't sitting there drooling over me. Then again, some of them were!

SCORE: Of course! You were every man's fantasy: a big-boobed nurse in a white outfit.

DEENA: Absolutely! And I had fun with it, too. I felt very complete in my profession, but I also felt that…well, I have a wild side. It's a fantasy thing, like, you never know, maybe one of these guys might really like me and I'd end up doing something with them, but it was never more than a fantasy.

SCORE: Did you get a lot of reactions from people when you were a nurse?

DEENA: Mostly from the families, like doubletakes. I'd see them walking by, and I'd be doing my charting and stuff, and they'd be looking at me like, "Did I just see that?" The families were looking at me like, "Wow, are those hers?"

SCORE: You can't hide them, can you?

DEENA: Can't hide them, don't want to. And really, no matter what I wear, everything is pretty form-fitting. Which is fine with me. I mean, why hide them?

SCORE: As you should be. How big are your breasts?

DEENA: They're a triple-H, and now that I'm really tiny, I can wear a thirty-six triple-H bra. They're about the size of my head.

SCORE: Oh, no, they're bigger than your head!

DEENA: They are? See? That's my whole self-perception thing again. I don't see my breasts as being so huge. They're really bigger than my head?

SCORE: Definitely. A lot bigger.

DEENA: Do they look bigger than they used to?

SCORE: Yes, definitely. Are your breasts bigger than Kayla Kleevage's?

DEENA: I think we're about the same.

SCORE: Was there ever a time when you thought, "My career's over"?

DEENA: Absolutely. When I got very, very heavy, I thought that was it. I was done. And thank God, people supported me, my family supported me. It's very tough to go through what I went through, but I'm a very strong person, and I wouldn't give up. I came back

with the drive to be the best I could be.

SCORE: So for the foreseeable future, you don't have a time limit on modeling and doing your private shows?

DEENA: Nope. I'm just going for it. Hopefully, I'm going to do this for the next 10 years and have fun doing it, and who knows? You never know who I might meet, and he might be very understanding and want me to continue for as long as I can, and I will. If he's not understanding about it and he wants me to just be with him and enjoy my life, I have no problem with that, either. It depends on the situation.

SCORE: What is your dream guy going to be like?

DEENA: You know what? I really won't know until he comes around. I think once that man comes into my life, I'll know. It's the heart I'm after. I'm into the soul. I'm into the heart and the sincerity and somebody being very down-to-Earth and genuine and fun and making me laugh. I need happy times, so I need someone who's going to complement that and make me happy.

SCORE: Are you still living in Florida?

DEENA: No. I live in Las Vegas which is perfect because I love the Vegas life.

SCORE: Other than taking care of your animals, what do you like to do in your free time? Any favorite TV shows?

DEENA: I think I watch CNN too much. And I love the show *Nip Tuck*. That's my favorite show. It's wild and crazy and has lots of energy and keeps me entertained. I'm an adrenaline junky. I love excitement. It's the same with gambling. I love to gamble. I love the slots, like Wheel of Fortune, and I like to go into the high-limit room and try to win big.

SCORE: Have you ever won big?

DEENA: I've won some good ones. Not the $30,000 ones, but I've won $10,000. Several times. And given it back the next day!

SCORE: You don't do anything halfway, do you?

DEENA: I go all the way, absolutely, which is good and bad sometimes. I guess I live a little dangerously. I like to take it to the top. My boobs, my animals. The same thing goes with my weight gain. I didn't just gain a few pounds. I gained a lot of pounds. But there was no way I was going to let myself go all the way. I had to do something about it. I'm just a woman who doesn't give up on life, I guess. I'm a fighter, baby.

Corina's Sleazy Hotel Room Cum

THERE'S NOTHING E-CUP MILF CORINA CURVES LIKES BETTER THAN TO KNOW PEOPLE ARE WATCHING...OR LISTENING.

Corina was the first model ever photographed at the *SCORE* studio in Miami, Florida more than six years ago, but these photos weren't taken in our studio. They were taken in a Las Vegas hotel room with a "Do Not Disturb" sign hanging from the door. While maids toiled outside, inside, Corina was proving why she's one of the sexiest big-tit models ever.

A knock on the door. "Housekeeping!" came a voice. Corina stripped down to nothing and spread her wet, pink pussy, seemingly turned on by the idea that somebody who couldn't possibly imagine what she was doing was standing on the other side of the door. "Just give me 15 minutes," Corina yelled out as she turned around, bent over and spread her ass-cheeks wide, exposing her highly fuckable asshole.

Corina got down on the bed on all fours and spread her pink cunt wide. She looked over her shoulder at our photographer and said, "Can you imagine how many people have fucked on this bed? I betcha none of those girls had a cunt that's wetter and pinker than mine." She leaned over, took out her clear, plastic dildo and prepared to fuck herself with it. "I want to get my pussy juices all over this fuckin' bed," she said. "When those maids come in here, I want it to smell like there was an orgy going on in here." Another knock on the door. Corina seemed to get wetter. She moaned loudly. "Come back in five minutes," she said, smiling. "I'm cumming!"

huge tits, but as soon as I unhooked it and let it fall, her melons burst into full, glorious view. I just shook my head, speechless. There was enough all-natural tit-flesh there to keep four horny guys busy, and it was all for me! Her nipples were big, pink and very swollen. Candace leaned back on her desk and batted her eyelashes, obviously enjoying the attention.

"You like my tits?" she teased.

"Fuck, yes!"

She jiggled them for me. "You don't think I should reduce them to a B-cup?"

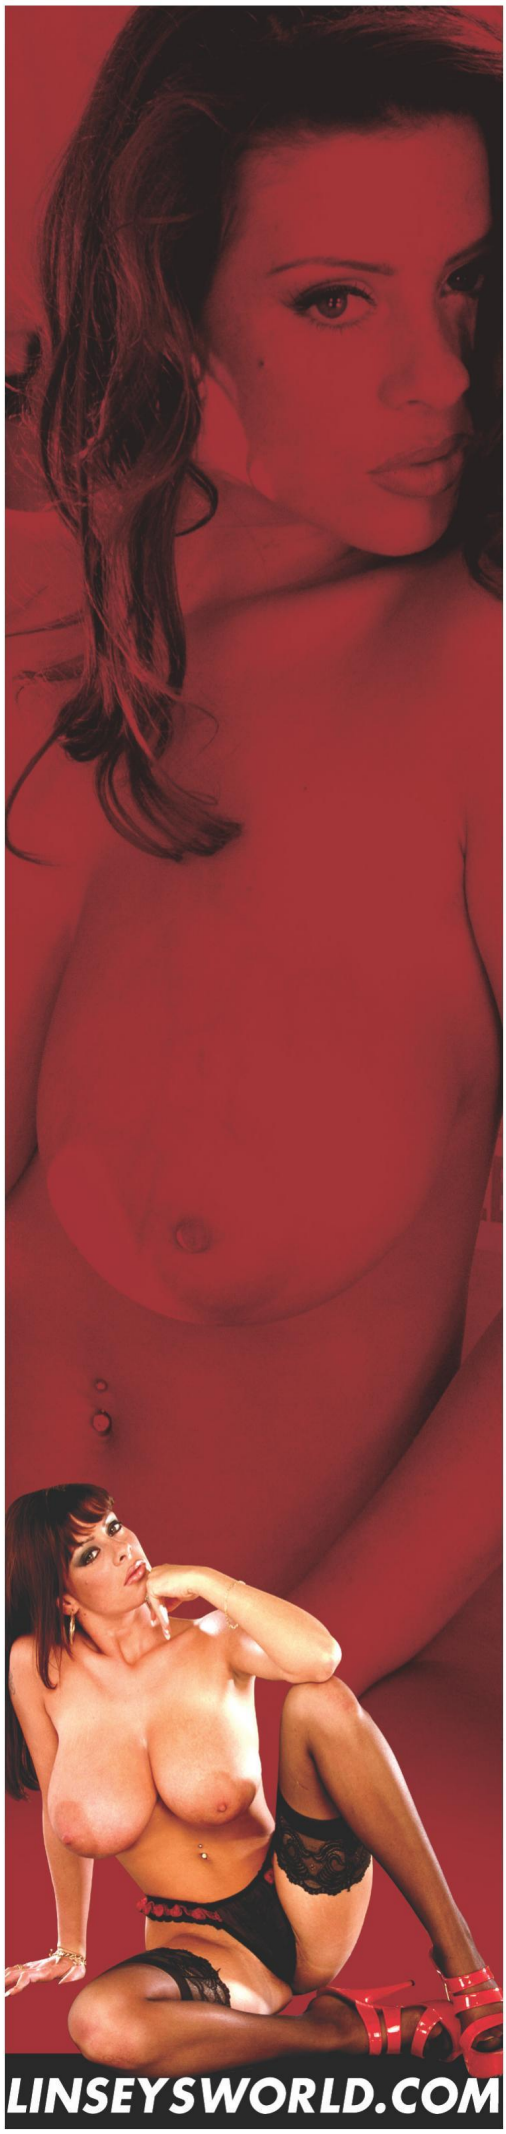
"Absolutely not!" I said as I swore to myself that I'd show her such a good time, she'd never even think about losing those gigantic melons. With both hands, I gave Candace's jugs a good kneading and felt my cock approach epic stiffness as I massaged whole fistfuls of heavenly tit-flesh and plucked her tender nipples between my fingers.

Candace moaned. "Mmmm, I love that. Squeeze 'em hard, baby. Jiggle my big tits for me."

I did exactly as she asked, alternately squeezing and jiggling her stupendous melons, sometimes pausing just long enough to tease her erect nipples. I've always loved playing with a nice, big rack, but Candace's tits were in a league all by themselves. Heck, they were in a zip code all by themselves!

"Oh, fuck, that feels good!" she said. "You're gonna make me cum if you keep doing that!"

Her whole body was shaking, and I realized she was right. Not only was she turned on by some stranger massaging her jugs right in her office during working hours, but her tits were obviously as sensitive as they were huge. My pants were around my ankles, and my cock was sticking out of my boxers like a lance, but I wasn't going to fuck her. Not yet. First I had to spend some good, quality time with these huge, delicious tits of hers. I'd been with a few girls who really loved having their jugs played with, but it was crazy how much Candace was getting off on it, and that only made me hornier. I almost couldn't believe what was going on, but there was no denying the soft, super-sized handfuls of mammary I was playing with. Obviously, Candace wasn't used to having her tits worshiped by her idiot boyfriend.



I stopped squeezing Candace's jugs and gently stroked them, building up her anticipation even further. My fingertips danced over every inch of her tits, making her gasp and moan as her huge, white melons quaked and jiggled under my touch. She flashed me a filthy, pleading look.

"Please, oh please, suck my tits."

I kissed and licked every tasty inch of her oversized sugar-mounds, gently at first, then harder until I was nibbling her tits and sucking her plump soft nipples as hard as I could. Candace grabbed my hair and pulled my face into her soft, warm chest.

"Oh, suck my tits!" she moaned. "Fuck, I'm gonna cum!"

I sucked hard on one tit and pinched her other nipple between my fingers. Candace's body shook. She tried to keep quiet, possibly remembering all the employees and customers right outside the door, but an orgasmic cry squealed out of her, turning me on even further.

I stopped sucking her gigantic jugs long enough to appreciate the sensuous look on her face before I shoved my hands under her skirt. Just like I'd thought, her panties were soaked. I peeled them off and teased the opening of her cunt with my fingers. Candace eagerly spread her legs, pulling her skirt up so I could see her pussy. It was clean-shaven and deliciously pink.

"It takes a very special guy to make me cum just by playing with my tits," she cooed. "You're quite a talented boy!"

"You ain't seen nothing yet!" I said.

I fell to my knees and buried my face in her pussy, whipping and wriggling my tongue in her wet box before slurping on her swollen pink clitty. Candace squealed in surprise and delight, and I sensed immediately that she'd never received this kind of attention before. I looked up and saw her hefting and squeezing those super-sized titties like she enjoyed playing with them every bit as much as I did. I felt like I was about to cum, too, and I hadn't even fucked her.

Candace must have read my mind because she said, "I need your dick inside my pussy. I want you to pound me as hard as you can."

I didn't need to be told twice. I hopped up and kissed her, sharing the sweet taste of her pussy as I grasped my shaft and pushed it right up her tight, wet cunt. Candace squealed again, and her big, blue eyes were as wide as saucers. She grabbed me and pulled me closer,

mashing her big tits against my chest. I was in heaven.

"That feels so good!" she moaned. "I can't believe I'm doing this! I can't believe I'm fucking you like this, right in my office!"

I answered by pounding her cunt with all my might. Candace held onto me with one hand and covered her mouth with the other, howling as she came and came. I could feel her tight pussy quaking around my dick, and I couldn't tell which was better, the feel of my big rod pounding in and out of her well-greased hot-box or the sight of her humongous tits jiggling and flopping from the force of my thrusts.

I decided not to care and went on fucking her. I held her body with one hand and used the other to grab one huge, flopping titty and scoop it up towards Candace's mouth. Without hesitation, she took her own nipple into her mouth and sucked avidly as I pounded her right through yet another orgasm.

I knew I was approaching a powerful orgasm myself, but I was more determined than I'd ever been to make this dream fuck last. I pulled my throbbing cock out of her pussy, and Candace whimpered in playful disappointment. But I winked at her and ordered her to lie flat on her desk. She eagerly obeyed, like she knew just what I wanted. As wonderful as her pussy felt, I just had to feel those soft, super-huge tits around my hard cock.

I joined Candace on her desk and thrust my cock into her mouth first, letting her taste herself again. A dreamy look spread across her face as she deliriously sucked my dick all the way to the balls like it was the greatest thing she'd ever tasted. I've been lucky enough to have a few pretty girls suck my dick before, but Candace was leagues above them all. She licked and sucked with such vigor that I damn near came down her throat. I don't know how, but I kept my load in my balls. Then she grabbed her boobs with both hands and gave me another pleading look.

"I want you to titty-fuck me!" she begged, giving her tits a tempting jiggle.

Since I wanted nothing more in the world, I happily obliged. I laid my hard cock on her chest, and Candace mashed her jugs together. My eyes widened, and my cock swelled even bigger. Her huge, natural tits were like nothing I'd ever felt better. They completely enveloped my big rod in soft warmth, and I moaned as

I pumped my dick deep inside her cleavage. I felt like the luckiest man alive, and I knew the tables had turned. She had me eating out of her hands now, and she knew it. Candace flashed me the filthiest look imaginable, grabbed her gigantic melons with both of her little hands and starting jiggling and flopping her tits against me.

"I love feeling a big hard dick between my tits," she said. "Are you gonna cum, baby? Are you gonna cum on these huge boobs so I can lap them dry?"

I couldn't believe this girl! Sweet and hot on the outside, sweet and filthy on the inside. Just what I like. I pumped her tits a bit longer, building and building to my orgasm. I knew I was far from done with this girl, but there was no way I could hold my spunk in any longer.

"Do you want me to cum on your big tits, baby?" I said.

"Oh, please," she cooed, jiggling her tits like mad. Suddenly, I felt like I'd been fired from a slingshot right into the best orgasm of my life. I fired my load and painted her rack with my man-sauce. Candace watched with wide eyes as cum covered her tits, which was no easy feat, considering the size of her tits. Then, with a slutty look, she did exactly as she'd promised. Grabbing her tits, she hefted each one towards her mouth and lapped up my cum with her tongue.

They say a guy needs 14 minutes to recover after cumming, but whoever said that didn't have a girl like Candace in front of him. Watching her scoop her delicate pink nipples towards her tongue, painstakingly kissing and licking every inch of her own tits, got me hard again in no time. Just when she'd finished savoring every last drop of my garnish off her melons, I was rock-hard and ready to fuck again.

Candace stared at my engorged cock with a look of awe and appreciation. "My goodness. What a lucky girl I am!"

I wanted to tell her how lucky I felt, too, but I was so horny that I couldn't even speak. I fought the impulse to immediately fuck her again and buried my face back in her crotch, sucking on her swollen clit. At the same time, I eased three fingers into her super-tight cunt and massaged her G-spot. As I suspected, she was so worked up after the pounding I'd given her that her whole cunt was super-sensitive. I alternately sucked and licked her clitty, and in no time, she was cumming again.

By now, Candace had clearly forgotten

where she was, and she squealed in ecstasy as she came. I looked up in time to see her pinch both her nipples between her fingers and give her tits a fantastic jiggle. I could tell right away that the feel of her own soft, heavy melons–the same melons all her friends must be so jealous of–only intensified her orgasm, especially when they jiggled and bounced.

Just watching her made my cock even stiffer. Plus, I was really turned on thinking that everyone in the store might be listening to me as I got this busty goddess off, right in her office.

"Careful, baby," I warned. "I love making you cum, but what if someone hears us?"

Candace giggled. "Are you kidding? The girls have been telling me to dump that loser and get a real man for months! They'll be thrilled when they hear about me getting the fuck of a lifetime!"

She wrapped her legs around me and pulled me closer. The erect head of my cock landed against the warm, wet opening of her pussy.

"Especially from such a nice, big boy!" she said.

A wave of horniness swept through me, and I felt dizzy with the desire to fuck her again. I gave Candace a wink and drove my dick deep inside her pussy again. As I fucked her, I leaned forward and gave her huge melons another good kneading.

"I can't believe how good you are!" Candace whispered. "I can't believe how good your cock feels in my pussy."

"All in a day's work for a good boob samaritan," I joked, fucking her so hard that her melons nearly bounced back against her face.

Candace giggled and grabbed her humongous tits with both hands. "To hell with my crappy boyfriend," she said. "Do you wanna date?"

"Sure," I answered. I thrust my cock to the hilt and squirmed it around inside her tight cunt. "On one condition."

"What's that?" she asked, trying to listen while still appreciating the thrill of my hard dick inside her.

"That you keep those beautiful big boobs of yours," I said.

She laughed. "Oh, you better believe I will. But you're gonna have to promise to fuck my tits whenever I want. I need to know how much you love them."

"Then it's a deal," I said. "And by the way. That bra I bought? I'll take another dozen. In your size!"

BEAUTIFUL ENOUGH TO BE A MODEL, SEXY ENOUGH TO BE A PORN STAR, DOWN-TO-EARTH ENOUGH TO BE YOUR GIRLFRIEND.

Some girls walk around like they own the world. They think everything revolves around them and expect every man to kiss the ground they walk on. Not DDD-cup newcomer Amber Diamond. This Southern California beach girl is actually insecure about her looks and needed to be convinced that she was hot enough to model. “Me?” Amber said. “A model? No way!”

It is very clear from these photos that Amber is prettier, sexier and bustier than 99.9% of the women on the planet. But try convincing her of that. “I really am the girl next door,” she insisted. “I mean, you’ll hardly ever see me all dressed up. My style is shorts or a mini-skirt, heels and a tight baby-T, and my hobbies are skydiving and hiking. I’ve had people tell me that men are intimidated by me, but I don’t know why.”

"My favorite color is pink," Amber said. Hmmm…right about now, that's our favorite color, too. Bright, pink pussy. Pink nipples. "I know you're trying to get me to blush, but it's not going to work," Amber said. "I might be the girl next door, but I'm a freak behind closed doors." Meaning? "That's something you're going to have to find out for yourself." And we have a feeling it'd be worth the effort!

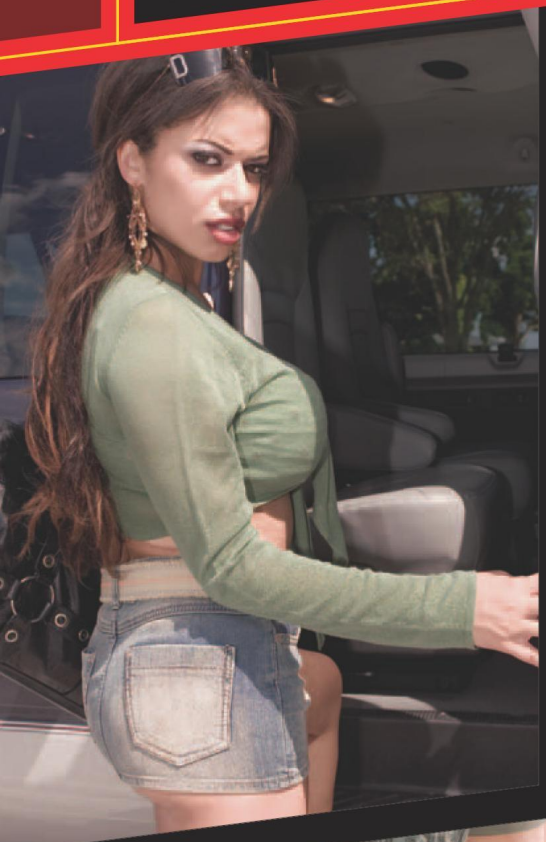
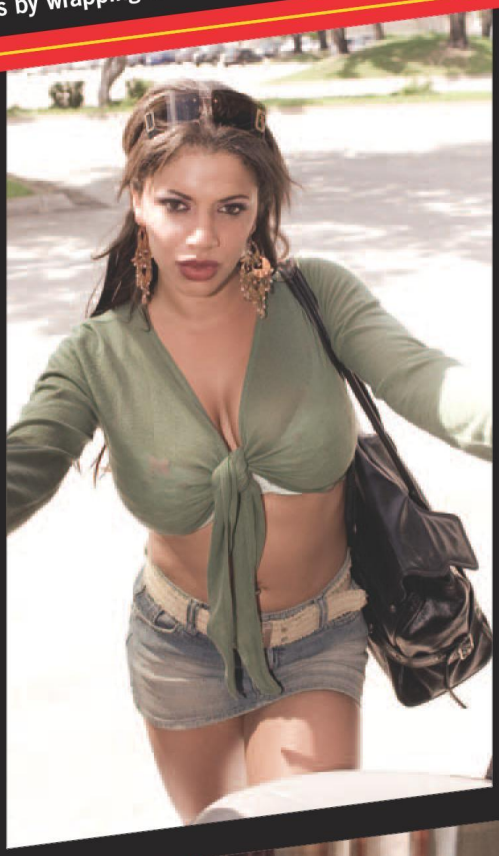
ALEXIS SILVER WORLD FUCKING CHAMPION

WHEN A CHALLENGE INVOLVES GETTING A GUY OFF WITH HER MOUTH, TITS & CUNT, THERE'S ONLY ONE NO. 1!

British E-cup natural Alexis Silver is proud of her ability to get men off, so when she gets the opportunity to prove her skills in the quest to find the world's tit-fuck champion, she does everything she can to win. "On a scale of one to 10, I'm a 15 when it comes to tit-fucking," Alexis says in the new DVD *Tit-Fuck Tryouts*. And as *SCORE* Men know, Alexis isn't all talk and no action. She backs up her words by wrapping her beautiful hangers around a hard cock in a shitload of positions.





Tit-fucking isn't the only thing Alexis does well. She's one of the finest dick suckers we've ever seen, a girl who blows bone with energy, gusto and love. As for fucking, her smoothly shaved cunt stretches around a hard cock and rides it good, and when Alexis is getting her pussy rammed, you know she's loving it. Yeah, there's that "love" word again. Alexis loves cum, too, and licks a big, sticky blast off her arms and tits. Did Alexis pass her Audition? You know it!

WHITNEY STEVENS TEEN TIT-FUCK DREAM

AT AN AGE WHEN MOST YOUNG GIRLS ARE GOING TO COLLEGE, SHE'S SUCKING & FUCKING SO WE CAN WATCH.

"I could've gone to college or gotten some stupid job, but I decided to fuck instead," 19-year-old Whitney Stevens said. But can a teenager who's making her *SCORE* debut earn the title of "World Tit-Fuck Champion" against the likes of experienced on-camera tit-fuckers such as Alexis Silver and Gianna Rossi? Can a chick who's only just beginning to learn what it means to be a cock-hungry fuck slut appear in a big-tit XXX flick such as *Tit-Fuck Auditions* and claim it as her own?

It's clear from these photos that Whitney is perfectly capable of fucking, sucking and tit-fucking just as well as her more-experienced peers. "That's because I've fucked and sucked a lot more than most 19-year-olds," she said. "Certainly any 19-year-old I've ever known. The first time I sucked dick, I knew it was what I loved doing. I think it's great that a magazine like *SCORE* gives me the chance to do what I love to do." Hey, Whitney, it's our pleasure.
